Exciting News From Speedy Electric Ltd!

At Speedy Electric Ltd, we are always looking for ways to better serve our amazing customers. That's why we are thrilled to announce new annual generator service plans. We've also launched a special referral program to thank you for spreading the word about Speedy Electric Ltd.

Annual Maintenance Plans- More Value, Additional Peace of Mind!

When the power goes out, your generator becomes one of the most important pieces of equipment protecting your home. Like any engine, it requires regular maintenance to ensure it starts reliably during a power outage and continues operating at peak performance for years to come. Annual service helps identify potential issues before they become costly repairs, extends the life of your generator, and gives you confidence that your system is ready whenever the power goes out. By enrolling in one of Speedy Electric Ltd's Generator Maintenance Plans, you're investing in the long-term reliability of your standby power system. Whether you're looking for basic annual maintenance or the added peace of mind of 24/7 remote monitoring, we have a plan designed to fit your needs. Choose the level of coverage that's right for you and enjoy the confidence of knowing your generator is professionally maintained by the trusted team that's been serving your community since 1973.

*** If you would like to be notified when we are coming to unlock a gate, put in a pet or be home during service please check off 'Please Notify Before Coming' and we will add you to our annual service list but call to schedule a date.

THANK YOU FOR CHOOSING SPEEDY ELECTRIC LTD

Your trust is very important to us and we are honoured to keep your home safe, and help give you the peace of mind you deserve.

Our highest regards,

Speedy Electric Ltd
